

Int'l Appl. No.: PCT/AU03/01647  
Int'l Filing Date : December 9, 2002

### REMARKS

The Specification and Claims have been amended to conform the International application to the rules of practice before the United States Patent and Trademark Office and to correct minor informalities. Claims 29-30 have been added. Support for the amendment to Claim 17 and for New claims 29-30 can be found in the Specification and Claims as filed, for example, page 9, lines 17-21, and Claims 18-19. The changes made to the Specification and Claims by the current amendment, including ~~deletions~~ and additions, are shown herein with deletions designated with a strikethrough and additions underlined. No new matter has been added herewith.

### Conclusion

Applicants believe that the current amendments place the application in condition for examination. Should there be any questions which might result in a delay in examination, the examiner is respectfully requested to contact the undersigned at the telephone number appearing below. Please charge any additional fees, including any fees for additional extension of time, or credit overpayment to Deposit Account No. 11-1410.

Respectfully submitted,
